TYLAR XUEREB

Junior Builder | Construction Management Student

0491 570 156 | tylar.builds@gmail.com | @tylar.builds_demo | Sydney, NSW

ABOUT ME

I'm a hardworking and reliable construction student with hands-on building experience. I enjoy working on residential projects, learning new skills and working towards becoming a licensed builder.

WORK EXPERIENCE

Junior Builder – nucon projects | 2025–2026 (Example experience)

- Assisted builders with residential house construction.
- Helped with framing, measuring and preparing materials.
- Maintained clean and safe worksites.
- Worked alongside tradespeople to complete projects.
- Learned about building plans and construction processes.

Construction Labourer – jmj homes | 2024–2025 (Example experience)

- Assisted with general construction duties.
- Organised tools, equipment and building materials.
- Helped prepare sites for construction.
- Followed workplace health and safety procedures.

EDUCATION

Western Sydney University College — Diploma in Construction Management, 2026

Western Sydney University — Bachelor of Construction Management, planned further study

SKILLS

Teamwork and communication • Basic construction knowledge • Problem-solving • Time management • Willingness to learn • Attention to detail

CAREER GOALS

My goal is to become a licensed residential builder, start my own construction business and eventually move into property development.
